

Winston's Haberdashery

At last...an upscale Men's Clothing & Furniture Resale Store in the Annapolis Area!

www.winstonshaberdashery.com Windashy@gmail.com

What is resale??? This is how it works—in our resale model you bring in your old attire and if we like it, we will pay cash for **30%** of what we think we can sell it for. Or for an even sweeter deal, instead of cash, we will offer you an additional **25%** in **store credit!**

***Keep in mind, fashion is our business. We only accept merchandise that is in style and in season, and if we are overstocked in a certain size, category or brand we may not accept the item.**

Some **Pro** tips before selling to us!

- **Make sure your clothes are presentable (neatly folded, no hangers or trash bags);**
- **Clothes must be clean, stainless, odorless and free of holes, fraying and tears;**
- **We specialize in nearly new Men's business, casual clothing, shoes and accessories;**
- **Check with the store which seasonal clothing we are buying;**
- **Please call before you bring your clothes to the store (410-266-7877). Business days and hours can be found on the store's website.**

A note from Robert Nuscher, Owner

Finally—a store for men to purchase and/or sell high-end name brand clothing at affordable prices! Although it is great to donate your used clothes to non-profit organizations for tax purposes, consider selling your high-end pieces with us and turn your clothes into cash. Please stop by and shop for those upscale items to add to your wardrobe.
